

#### WOMEN'S ADMIRE VEST

SHARE

### CCFSC has been working on a full scale redesign of the club logo.

After working with a graphic designer and with input from some of our competitive skaters we are happy to release the new CCFSC logo.

**We are encouraging those who compete to represent CCFSC by proudly sporting a vest with the NEW CCFSC logo or having the CCFSC Logo added to your existing BLACK skating jacket.**

The cost of embroidery is \$16.00 for the 8" (only approved size) logo to be added to the back of your jacket or vest. Your name added to the front in red is an additional \$5.00. The Logo is available for embroidery through Julie Latta ([Theassyseamstress@live.com](mailto:Theassyseamstress@live.com)) and she has all specifications.

The vests and other merchandise can be ordered from Holloway Sports with an active promo code of **COLD25** that will give you 25% off your order.

The vests run slightly large in my opinion so keep that in mind if you are ordering. I am still looking for an option that comes in youth sizes suitable for embroidery as many that you will see online are not.

Additional CCFSC approved merchandise follows and Julie will have specifications regarding embroidery size.

You may place your merchandise orders directly from Holloway Sportswear and arrange embroidery with Julie directly or we will be delivering a bulk order to her for embroidery for holiday delivery at CCFSC on Monday December 11<sup>th</sup>.

Erin Klippi [erin\\_klippi@live.com](mailto:erin_klippi@live.com) if you have any questions.
