To Owen's dear friends,

It is with great sadness that I write to you today. Owen passed away in his sleep on Thursday morning. As you all know he had a long battle with Dementia. I want each and every one of you to know that his students, colleagues, and friends meant the world to him.

He did not want any type of service. Owen will be cremated, <https://www.stlouiscremation.com/>, with his ashes spread at Tyson and up in Michigan. His ask was that everyone spend time with their family and friends and enjoy the outdoors the way he did.

Thank you so much for making his life fabulous.

Fondly,

Carolyn Phipps

For those wanting, there is a scholarship fund set up by some of Owen's grad students. Memorials may be made to the Owen Sexton Research Fund at Washington University, Campus Box 1082, One Brookings Drive, St. Louis, MO 63130-4899.
